

## LGV DRIVER TRAINING CATEGORY C

Coaching and practical instruction in a Category C (Rigid LGV) vehicle covering all aspects of driving in preparation for the DSA LGV driving test.

The RTITB Academy are proud of their fleet of training vehicles offering a safe and modern learning environment.

### **What does the practical training cover?**

- Practical driving tuition designed to suit your training needs
- Theoretical aspects of driving a LGV
- Initial Tachograph and Drivers Hours tuition.
- Practical tuition for the DSA Reversing exercise.
- Practical tuition for the DSA Braking exercise.

The DSA require you to hold a valid provisional licence for category C vehicles and you need to have passed your theory test prior to booking your DSA Driving test. Don't worry - The RTITB Academy can book your DSA practical LGV driving test for you.

Your practical training can take place at either the RTITB Academy, Access House, Halesfield 17, Telford, Shropshire, TF7 4PW or other suitable premises.

Remember, tuition can be provided at times and dates that suit you.

Contact the RTITB Academy on 01952 520214 to book or to ask any questions regarding your training requirements.
