

LGV DRIVER TRAINING CATEGORY C+E

Coaching and practical instruction in Category C+E (articulated or draw-bar) vehicle covering all aspects of driving in preparation for the DSA LGV driving test.

What does the practical training cover?

- Practical driving tuition designed to suit your training needs
- Theoretical aspects of driving a large goods vehicle
- Initial Tachograph and Drivers Hours tuition.
- Practical tuition for the DSA Reversing exercise.
- Practical tuition for the DSA Braking exercise.

The DSA require you to hold a full licence in category C (LGV) and have provisional entitlement for category C+E. (Provisional entitlement for category C+E will only be granted once the category C test has been passed and the licence claimed).

Your practical training can take place at either the RTITB Academy, Access House, Halesfield 17, Telford, Shropshire, TF7 4PW or other suitable premises.

Remember, tuition can be provided at times and dates that suit you.

Contact the RTITB Academy on 01952 520214 to book or ask any questions regarding your training requirements.
