## Answers

### 7. Is the training you provide for materials handling equipment largely practical in nature?

- A. Yes, it is about 80% practical, 20% theory
- B. It is a 50/50 split
- C. We spend more time in the classroom than we do practicing driving the piece of equipment
- D. We don't do training for each piece of materials handling equipment

#### If you answered mostly 'A'

You sound like you are probably doing most things correctly, give us a call if you want us to double check on +44(0)1952 520207

#### If you answered mostly 'B'

Your answers suggest you have the right things in place but might need to enforce them a little more, give us a call if you would like us to help with that on +44(0)1952 520207

#### If you answered mostly 'C'

From your answers it sounds like there is some level of compliance but there is definitely room for significant improvement. Please call us to book on +44(0)1952 520207

#### If you answered mostly 'D'

It sounds like a HealthCheck is essential for you, you might not be legally compliant. Please call us to get this booked in as soon as possible on +44(0)1952 520207

#### Please Note:

Please note this questionnaire is issued to provide you with guidance only. We do not guarantee, warrant or imply the accuracy of its findings and they should not be relied upon under any circumstances to confirm legal compliance or best practice

**To find out more or to book your materials handling equipment training HealthCheck, call Jane Hughes on +44(0)1952 520 207**
